

Variety ID (DNA fingerprinting)

Instructions Provide young leaves, if available, or other plant parts for dormant crops, all individually bagged and clearly labeled (see labels form). Tag your plants and keep proper records of your sample collection. Submit your reference varieties, or parental plants along with your samples. Enclose this form with your shipping. Ship by overnight carrier (preferably).

Indicate desired test as follows: **Variety Confirmation** (when variety name has already been used and needs to be verified) or **Variety Determination** (when variety is unknown). Notice that price is different. Results are typically ready in 3 to 4 weeks.

DISCLAIMER: Customer understands that samples will be tested by DNA profiling, a proven, powerful and sensitive identification tool with known limitations: (1) though Agbiolab's database is extensive, it does not contain all known varieties. If there is no reference profile for the variety of the submitted sample, it cannot be identified. (2) The technology used cannot distinguish variants within a variety. Profiles for such variants, referred to in the industry as "somatic mutants", "clones", "bud-sports" or "biotypes", will be identical, though the difference in plant and fruit appearance may be significant. Results reflect current levels of detection and a degree of uncertainty due to sampling and the nature of scientific analysis. EXCEPT AS SET FORTH HEREIN, AGBIOLAB MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS, STATUTORY, IMPLIED OR OTHERWISE, WITH RESPECT TO AGBIOLAB'S SERVICES OR THE RESULTS OBTAINED FROM SUCH SERVICES, AND SPECIFICALLY DISCLAIMS ALL WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND SATISFACTORY QUALITY.

TO THE EXTENT ALLOWED BY LAW, AGBIOLAB SHALL NOT BE LIABLE TO CUSTOMER UNDER ANY CONTRACT, LEGAL OR EQUITABLE THEORY, FOR ANY INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OR LOST PROFITS. NOTWITHSTANDING ANYTHING TO THE CONTRARY, AGBIOLAB WILL NOT BE LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, LEGAL OR EQUITABLE THEORY (A) FOR ANY AMOUNTS IN EXCESS OF THE AGGREGATE AMOUNTS PAID TO AGBIOLAB BY CUSTOMER DURING THE 12 MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM FIRST AROSE.
